# Motorcycle Thefts

**This past weekend, some motorcycles were stolen from apt. complexes in SW Gainesville. Please keep in mind the following tips in order to prevent your motorcycle from being stolen:**

- Lock your bike with a strong chain to a sturdy post or a street lamp**
- Use a U-lock to secure the bike's front wheel and the frame**
- Lock the steering mechanism**
- Purchase and use an alarm**
- Park your bike in well-lit areas**
- Document the engine # and keep the registration in your house**

***If you see anything suspicious, don't hesitate to call 911!***
